Specification:

Note: the first Office Action used notation/direction that was consistent with the original application, and not the published application. Thus for continuity, the following requests reference placeholders in the formatting of the original application.

On page 1, line 7 from the bottom; please replace the incorrectly spelled "SUMMERY" with "SUMMARY".

On page 6, lines starting at line 11 from the bottom; please replace with the following two sentences:

Additionally, the said appliance is constructed as part of the invention. These specific ~~three~~ conditions do not have to exist though, any appliance used on a countertop in any type of work place would suffice, such as but not limited to grills, stir fry pans, toasters, pot/pan burners, coffeemakers, as well as others forms previously mentioned.
